Case No.: 1:17-cv-09623-LLS
KT No.: 0117.0620
Joint Letter –Request for Extension Certain Remaining Deadlines

Dear Judge Cave:

As you are aware, my firm represents Defendant National Railroad Passenger Corporation d/b/a Amtrak in the above-captioned matter. I write to respectfully request the rescheduling of the November 19, 2021 settlement conference in this matter, a request to which all parties consent.

I am lead counsel for Amtrak in this matter and have unfortunately been out of office for much of the last three weeks as a result of an unanticipated family illness. As a result of my absence, I have had to delay the presentation of this matter to my client for settlement authority. Given this delay, and my client's internal workings, I do not anticipate being able to obtain final authority prior to the scheduled settlement conference. Consequently, I respectfully request a postponement of the conference by roughly thirty (30) days in order to complete the process of obtaining settlement authority.

I have spoken with counsel for Plaintiff and LIRR/MTA, both of whom have graciously consented to the requested extension in light of my unforeseen circumstance. I thank the Court for its consideration.

Respectfully Submitted,

J. Christopher Noshier
